

CDXStreamer Census Tract Data Definitions

1	Tract Number	Tract identification
2	Census Tract	Census tract FIPS code
3	Census Block	Census Block FIPS code
4	County	County Name
5	State	2 character state or territory designation
6	Age Median	Median age for the population
7	Age 0 - 4	Population under 5 years
8	Age 5 - 9	Population between the ages 5 and 9
9	Age 10 - 14	Population between the ages 10 and 14
10	Age 15 - 17	Population between the ages 15 and 17
11	Age 18 - 20	Population between the ages 18 and 20
12	Age 21 - 24	Population between the ages 21 and 24
13	Age 25 - 34	Population between the ages 25 and 34
14	Age 35 - 44	Population between the ages 35 and 44
15	Age 45 - 54	Population between the ages 45 and 54
16	Age 55 - 61	Population between the ages 55 and 61
17	Age 62 - 64	Population between the ages 62 and 64
18	Age 65 - 74	Population between the ages 65 and 74
19	Age 75 - 84	Population between the ages 75 and 84
20	Age 85+	Population age 85 and over
21	Age Median Female	Median age for the female population
22	Age Female 0 - 4	Female population under 5 years
23	Age Female 5 - 9	Female population between the ages 5 and 9
24	Age Female 10 - 14	Female population between the ages 10 and 14
25	Age Female 15 - 17	Female population between the ages 15 and 17
26	Age Female 18 - 20	Female population between the ages 18 and 20
27	Age Female 21 - 24	Female population between the ages 21 and 24
28	Age Female 25 - 34	Female population between the ages 25 and 34
29	Age Female 35 - 44	Female population between the ages 35 and 44
30	Age Female 45 - 54	Female population between the ages 45 and 54
31	Age Female 55 - 61	Female population between the ages 55 and 61
32	Age Female 62 - 64	Female population between the ages 62 and 64
33	Age Female 65 - 74	Female population between the ages 65 and 74
34	Age Female 75 - 84	Female population between the ages 75 and 84
35	Age Female 85+	Female population age 85 and over
36	Age Median Male	Median age for the Male population
37	Age Male 0 - 4	Male population under 5 years
38	Age Male 5 - 9	Male population between the ages 5 and 9
39	Age Male 10 - 14	Male population between the ages 10 and 14
40	Age Male 15 - 17	Male population between the ages 15 and 17
41	Age Male 18 - 20	Male population between the ages 18 and 20
42	Age Male 21 - 24	Male population between the ages 21 and 24
43	Age Male 25 - 34	Male population between the ages 25 and 34
44	Age Male 35 - 44	Male population between the ages 35 and 44
45	Age Male 45 - 54	Male population between the ages 45 and 54
46	Age Male 55 - 61	Male population between the ages 55 and 61
47	Age Male 62 - 64	Male population between the ages 62 and 64
48	Age Male 65 - 74	Male population between the ages 65 and 74
49	Age Male 75 - 84	Male population between the ages 75 and 84
50	Age Male 85+	Male population age 85 and over
51	Earnings Population	Population 16 years and over with earnings
52	Earnings Median	Median earnings for the population 16 years and over with earnings

53	Earnings Less than 10K	Population who made less than \$10,000 for the population 16 years and over with earnings
54	Earnings 10-19K	Population who made between \$10,000 and \$19,999 for the population 16 years and over with earnings
55	Earnings 20-29K	Population who made between \$20,000 and \$29,999 for the population 16 years and over with earnings
56	Earnings 30-39K	Population who made between \$30,000 and \$39,999 for the population 16 years and over with earnings
57	Earnings 40-49K	Population who made between \$40,000 and \$49,999 for the population 16 years and over with earnings
58	Earnings 50-74K	Population who made between \$50,000 and \$74,999 for the population 16 years and over with earnings
59	Earnings 75-99K	Population who made between \$75,000 and \$99,999 for the population 16 years and over with earnings
60	Earnings 100K+	Population who made \$100,000 and over for the population 16 years and over with earnings
61	Earnings Female Population	Female population 16 years and over with earnings
62	Earnings Median Female	Median earnings for the female population 16 years and over with earnings
63	Earnings Female Less than 10K	Females who made less than \$10,000 for the population 16 years and over with earnings
64	Earnings Female 10-19K	Females who made between \$10,000 and \$19,999 for the population 16 years and over with earnings
65	Earnings Female 20-29K	Females who made between \$20,000 and \$29,999 for the population 16 years and over with earnings
66	Earnings Female 30-39K	Females who made between \$30,000 and \$39,999 for the population 16 years and over with earnings
67	Earnings Female 40-49K	Females who made between \$40,000 and \$49,999 for the population 16 years and over with earnings
68	Earnings Female 50-74K	Females who made between \$50,000 and \$74,999 for the population 16 years and over with earnings
69	Earnings Female 75-99K	Females who made between \$75,000 and \$99,999 for the population 16 years and over with earnings
70	Earnings Female 100K+	Females who made \$100,000 and over for the population 16 years and over with earnings
71	Earnings Male Population	Male population 16 years and over with earnings
72	Earnings Median Male	Median earnings for the male population 16 years and over with earnings
73	Earnings Male Less than 10K	Males who made less than \$10,000 for the population 16 years and over with earnings
74	Earnings Male 10-19K	Males who made between \$10,000 and \$19,999 for the population 16 years and over with earnings
75	Earnings Male 20-29K	Males who made between \$20,000 and \$29,999 for the population 16 years and over with earnings
76	Earnings Male 30-39K	Males who made between \$30,000 and \$39,999 for the population 16 years and over with earnings
77	Earnings Male 40-49K	Males who made between \$40,000 and \$49,999 for the population 16 years and over with earnings
78	Earnings Male 50-74K	Males who made between \$50,000 and \$74,999 for the population 16 years and over with earnings
79	Earnings Male 75-99K	Males who made between \$75,000 and \$99,999 for the population 16 years and over with earnings
80	Earnings Male 100K+	Males who made \$100,000 and over for the population 16 years and over with earnings
81	Education Attain Population 25+ Years	Total Population 25 years and over
82	Education Attain No Schooling	Total who completed no schooling for the population 25 years and over
83	Education Attain Nursery to Grade 8	Total whose highest educational attainment was nursery to grade 8 for the population 25 years and over
84	Education Attain Some High School	Total whose highest educational attainment was some high school for the population 25 years and over
85	Education Attain High School Grad	Total whose highest educational attainment was graduation from high school or equivalency for the population 25 years and over
86	Education Attain Some College	Total whose highest educational attainment was some college for the population 25 years and over
87	Education Attain Associate Degree	Total whose highest educational attainment was an associate degree for the population 25 years and over
88	Education Attain Bachelors Degree	Total whose highest educational attainment was a bachelors degree for the population 25 years and over
89	Education Attain Advanced Degree	Total whose highest educational attainment was an advanced degree for the population 25 years and over
90	Education Attain Population Female 25+ Years	Female Population 25 years and over
91	Education Attain Female No Schooling	Females who completed no schooling for the population 25 years and over
92	Education Attain Female Nursery to Grade 8	Females whose highest educational attainment was nursery to grade 8 for the population 25 years and over
93	Education Attain Female Some High School	Females whose highest educational attainment was some high school for the population 25 years and over
94	Education Attain Female High School Grad	Females whose highest educational attainment was graduation from high school or equivalency for the population 25 years and over
95	Education Attain Female Some College	Females whose highest educational attainment was some college for the population 25 years and over
96	Education Attain Female Associate Degree	Females whose highest educational attainment was an associate degree for the population 25 years and over
97	Education Attain Female Bachelors Degree	Females whose highest educational attainment was a bachelors degree for the population 25 years and over
98	Education Attain Female Advanced Degree	Females whose highest educational attainment was an advanced degree for the population 25 years and over
99	Education Attain Population Male 25+ Years	Male Population 25 years and over
100	Education Attain Male No Schooling	Males who completed no schooling for the population 25 years and over
101	Education Attain Male Nursery to Grade 8	Males whose highest educational attainment was nursery to grade 8 for the population 25 years and over
102	Education Attain Male Some High School	Males whose highest educational attainment was some high school for the population 25 years and over
103	Education Attain Male High School Grad	Males whose highest educational attainment was graduation from high school or equivalency for the population 25 years and over
104	Education Attain Male Some College	Males whose highest educational attainment was some college for the population 25 years and over
105	Education Attain Male Associate Degree	Males whose highest educational attainment was an associate degree for the population 25 years and over
106	Education Attain Male Bachelors Degree	Males whose highest educational attainment was a bachelors degree for the population 25 years and over

107	Education Attain Male Advanced Degree	Males whose highest educational attainment was an advanced degree for the population 25 years and
108	Households Total	Total number of households
109	Household Income 0-24K	Number of households with total income of less than \$24,999
110	Household Income 25-49K	Number of households with total income between \$25,000 and \$49,999
111	Household Income 50-74K	Number of households with total income between \$50,000 and \$74,999
112	Household Income 75-99K	Number of households with total income between \$75,000 and \$99,999
113	Household Income 100-149K	Number of households with total income between \$100,000 and \$149,999
114	Household Income 150-199K	Number of households with total income between \$150,000 and \$199,999
115	Household Income 200K+	Number of households with total income of \$200,000 and over
116	Household Income Median	Median income of all households
117	Household Income Median under 25 years	Median household income where the householder is under 25 years
118	Household Income Median 25-44 years	Median household income where the householder is between 25 and 44 years
119	Household Income Median 45-64 years	Median household income where the householder is between 45 and 64 years
120	Household Income Median 65 years and over	Median household income where the householder is 65 years and over
121	Households Owner-Occupied	Total number of owner-occupied housing units
122	Household Size Owner Occupied 1-Person	For owner-occupied housing units, those with a 1-person household
123	Household Size Owner Occupied 2-Person	For owner-occupied housing units, those with a 2-person household
124	Household Size Owner Occupied 3-Person	For owner-occupied housing units, those with a 3-person household
125	Household Size Owner Occupied 4-Person	For owner-occupied housing units, those with a 4-person household
126	Household Size Owner Occupied 5-Person	For owner-occupied housing units, those with a 5-person household
127	Household Size Owner Occupied 6-Person	For owner-occupied housing units, those with a 6-person household
128	Household Size Owner Occupied 7+ Person	For owner-occupied housing units, those with a 7 and over -person household
129	Households Renter-Occupied	Total number of renter-occupied housing units
130	Household Size Renter Occupied 1-Person	For renter-occupied housing units, those with a 1-person household
131	Household Size Renter Occupied 2-Person	For renter-occupied housing units, those with a 2-person household
132	Household Size Renter Occupied 3-Person	For renter-occupied housing units, those with a 3-person household
133	Household Size Renter Occupied 4-Person	For renter-occupied housing units, those with a 4-person household
134	Household Size Renter Occupied 5-Person	For renter-occupied housing units, those with a 5-person household
135	Household Size Renter Occupied 6-Person	For renter-occupied housing units, those with a 6-person household
136	Household Size Renter Occupied 7+ Person	For renter-occupied housing units, those with a 7 and over -person household
137	Household Size Average	Average number of people per housing unit
138	Household Size Average Owner-Occupied	Average number of people in an owner-occupied housing unit
139	Household Size Average Renter-Occupied	Average number of people in an renter-occupied housing unit
140	Housing Units with Mortgage	Owner-occupied housing units with a mortgage
141	Housing Units without Mortgage	Owner-occupied housing units without a mortgage
142	Housing Value Median	Median value of owner-occupied housing units
143	Housing Value Less than 50K	Owner-occupied housing units with a value of less than \$50,000
144	Housing Value 50-99K	Owner-occupied housing units with a value between \$50,000 and \$99,999
145	Housing Value 100-149K	Owner-occupied housing units with a value between \$100,000 and \$149,999
146	Housing Value 150-199K	Owner-occupied housing units with a value between \$150,000 and \$199,999
147	Housing Value 200-299K	Owner-occupied housing units with a value between \$200,000 and \$299,999
148	Housing Value 300-399K	Owner-occupied housing units with a value between \$300,000 and \$399,999
149	Housing Value 400-499K	Owner-occupied housing units with a value between \$400,000 and \$499,999
150	Housing Value 500-749K	Owner-occupied housing units with a value between \$500,000 and \$749,999
151	Housing Value 750-999K	Owner-occupied housing units with a value between \$750,000 and \$999,999
152	Housing Value 1 MM+	Owner-occupied housing units with a value of \$1,000,000 and over
153	Marital Status Population 15+ Years	Total population 15 years and over
154	Marital Status Never Married	Total who never married, for the population 15 years and over
155	Marital Status Married/Spouse Present	Total who are married with spouse present, for the population 15 years and over
156	Marital Status Married/Spouse Absent	Total who are married with spouse absent, for the population 15 years and over
157	Marital Status Divorced	Total who are divorced, for the population 15 years and over
158	Marital Status Widowed	Total who are widowed, for the population 15 years and over
159	Marital Status Population Female 15+ Years	Female population 15 years and over
160	Marital Status Female Never Married	Females who never married, for the population 15 years and over

161	Marital Status Female Married/Spouse Present	Females who are married with spouse present, for the population 15 years and over
162	Marital Status Female Married/Spouse Absent	Females who are married with spouse absent, for the population 15 years and over
163	Marital Status Female Divorced	Females who are divorced, for the population 15 years and over
164	Marital Status Female Widowed	Females who are widowed, for the population 15 years and over
165	Marital Status Population Male 15+ Years	Male population 15 years and over
166	Marital Status Male Never Married	Males who never married, for the population 15 years and over
167	Marital Status Male Married/Spouse Present	Males who are married with spouse present, for the population 15 years and over
168	Marital Status Male Married/Spouse Absent	Males who are married with spouse absent, for the population 15 years and over
169	Marital Status Male Divorced	Males who are divorced, for the population 15 years and over
170	Marital Status Male Widowed	Males who are widowed, for the population 15 years and over
171	Population	Total Population
172	Population Female	Female population
173	Population Male	Male population
174	Population Hispanic	Hispanic population
175	Population Non-Hispanic	Non-Hispanic population
176	Race Asian	Asian alone population
177	Race Black	Black or African American alone population
178	Race Hawaiian	Native Hawaiian and Other Pacific Islander alone population
179	Race Indian	American Indian and Alaska Native alone population
180	Race Other	Some other race alone population
181	Race Two or more	Two or more races population
182	Race White	White alone population
183	Rent Gross Cash Less than \$250	For renter-occupied housing units, those with cash rent less than \$250
184	Rent Gross Cash \$250-499	For renter-occupied housing units, those with cash rent between \$250 and \$499
185	Rent Gross Cash \$500-749	For renter-occupied housing units, those with cash rent between \$500 and \$749
186	Rent Gross Cash \$750-999	For renter-occupied housing units, those with cash rent between \$750 and \$999
187	Rent Gross Cash \$1000-1249	For renter-occupied housing units, those with cash rent between \$1000 and \$1249
188	Rent GrossCash \$1250-1499	For renter-occupied housing units, those with cash rent between \$1250 and \$1499
189	Rent Gross Cash \$1500-1999	For renter-occupied housing units, those with cash rent between \$1500 and \$1999
190	Rent Gross Cash \$2000+	For renter-occupied housing units, those with cash rent \$2000 or more
191	Rent Gross No Cash	For renter-occupied housing units, those with no cash rent
192	School Enroll Preschool	Total enrolled in nursery school (public and private), for the population 3 years and over
193	School Enroll Kindergarten	Total enrolled in kindergarten (public and private), for the population 3 years and over
194	School Enroll Grades 1-4	Total enrolled in grades 1 through 4 (public and private), for the population 3 years and over
195	School Enroll Grades 5-8	Total enrolled in grades 5 through 8 (public and private), for the population 3 years and over
196	School Enroll Grades 9-12	Total enrolled in grades 9 through 12 (public and private), for the population 3 years and over
197	School Enroll College	Total enrolled in college (public and private), for the population 3 years and over
198	School Enroll Grad School	Total enrolled in graduate school (public and private), for the population 3 years and over
199	School Enroll Not Enrolled	Total not enrolled in school (public and private), for the population 3 years and over
200	School Enroll Female Preschool	Females enrolled in nursery school (public and private), for the population 3 years and over
201	School Enroll Female Kindergarten	Females enrolled in kindergarten (public and private), for the population 3 years and over
202	School Enroll Female Grades 1-4	Females enrolled in grades 1 through 4 (public and private), for the population 3 years and over
203	School Enroll Female Grades 5-8	Females enrolled in grades 5 through 8 (public and private), for the population 3 years and over
204	School Enroll Female Grades 9-12	Females enrolled in grades 9 through 12 (public and private), for the population 3 years and over
205	School Enroll Female College	Females enrolled in college (public and private), for the population 3 years and over
206	School Enroll Female Grad School	Females enrolled in graduate school (public and private), for the population 3 years and over
207	School Enroll Female Not Enrolled	Females not enrolled in school (public and private), for the population 3 years and over
208	School Enroll Male Preschool	Males enrolled in nursery school (public and private), for the population 3 years and over
209	School Enroll Male Kindergarten	Males enrolled in kindergarten (public and private), for the population 3 years and over
210	School Enroll Male Grades 1-4	Males enrolled in grades 1 through 4 (public and private), for the population 3 years and over
211	School Enroll Male Grades 5-8	Males enrolled in grades 5 through 8 (public and private), for the population 3 years and over
212	School Enroll Male Grades 9-12	Males enrolled in grades 9 through 12 (public and private), for the population 3 years and over
213	School Enroll Male College	Males enrolled in college (public and private), for the population 3 years and over
214	School Enroll Male Grad School	Males enrolled in graduate school (public and private), for the population 3 years and over
